EDUCATION

PASADENA CITY COLLEGE Pasadena, CA
2017-2019

PROJECTS

Pirate Ships Code Link: <https://goo.gl/BCfDnK>

Skills & Tools: HTML/CSS, JS

Designed the entire game engine as well as AI using pure JS.
Literally developed the entire thing myself and it's awesome.

Bathroom Cash App Link: <https://goo.gl/RVGo82>

Skills & Tools: HTML/CSS, JS

Began writing app as a challenge to see how familiar I was with developing web apps from scratch and it was on the Google Play Store in 2 days.

Rememory App Link: <https://goo.gl/uTXKCj>

Skills & Tools: HTML/CSS, JS

Developed a web app written in HTML/CSS/JS and wrapped with Apache Cordova.
